

KSN 2020 FULLY VIRTUAL MEETING Program at a Glance

Time	Room 1	Room 2	Room 3	Room 4	Time
September 25, Friday					
09:00-11:00	Molecular Physiology of Urinary Concentration	Kidney Transplantation 1: Kidney Transplantation Quiz and Questionnaire	Acute Kidney Injury 1	Oral Communications: 1 CKD 1	09:00-11:00
11:00-11:30	Break				11:00-11:30
11:30-12:20	Plenary Lecture 1 Mark D. Okusa				11:30-12:20
12:20-13:10	Industry Symposium 1	Industry Symposium 2			12:20-13:10
13:10-14:00			Industry Symposium 3	Industry Symposium 4	13:10-14:00
14:00-16:00	Basic Research	Peritoneal Dialysis	Renal Pathology Conference	Oral Communications 2: CKD / Fluid, Electrolyte and Acid-Base/ Others	14:00-16:00
16:00-18:00	Pediatric Nephrology	Diabetes and Obesity	KSN-TSN-JSDT Joint Symposium	Oral Communications 3: Inherited Kidney Disease / Diabetic Nephropathy	16:00-18:00
September 26, Saturday					
08:30-09:00	Glomerular & Tubulointerstitial Disease 1			Oral Communications 4: CKD 2	08:30-09:00
09:00-10:00		KSN ESRD Registry Report	KSN Cooperative Study 09:00-09:45 (45')		09:00-10:00
10:00-12:00	Kidney Transplantation 2: Update of Transplant Immunology	Acute Kidney Injury 2	Hypertension & Vascular Biology	Oral Communications 5: Acute Kidney Injury	10:00-12:00
12:00-12:50	Industry Symposium 5	Industry Symposium 6			12:00-12:50
12:50-13:10			Industry Symposium 7	Industry Symposium 8	12:50-13:10
13:10-13:40	General Assembly 13:10-14:00 (50')				13:10-13:40
13:40-14:00	Break		Break		13:40-14:00
14:00-14:50	Plenary Lecture 2 Michael J. Caplan				14:00-14:50
14:50-15:00	Break				14:50-15:00
15:00-16:00	KDIGO-KSN Joint Symposium	Hemodialysis 1	Glomerular & Tubulointerstitial Disease 2	Oral Communications 6: Transplantation 1	15:00-16:00
16:00-16:30					
16:30-17:00		Hemodialysis 2	Ethics Education	Oral Communications 7: Transplantation 2	16:30-17:00
17:00-18:00					
18:00-18:30				18:00-18:30	
18:30-19:00				18:30-19:00	
September 27, Sunday					
08:30-10:00	Becoming a New Basic Researcher	KSN-KSH Joint Symposium (Korean Society of Hypertension) 08:30-10:30 (120')	Dialysis Nurse Course 1	KSN Research Fund Project/Overseas Research Studies Topic Presentation	08:30-10:30
10:00-11:30	Career Development	Break			10:30-10:45
11:30-12:45	Dialysis Committee	KSN-KES Joint Symposium (Korean Endocrine Society) 10:45-12:45 (120')	Dialysis Nurse Course 2	Oral Communications 8: Hypertension and Vascular Biology / Dialysis HD, PD	10:45-12:45
12:45-13:00	Break				12:45-13:00
13:00-15:00	Kidney – Brain axis (Dialysis Specialist Physician Course 1)	Real-World Evidence by Healthcare Big Data	Nephrology Board Review Course	Oral Communications 9: Dialysis HD, PD	13:00-14:30
15:00-17:00	Miscellaneous topics (Dialysis Specialist Physician Course 2)	Kidney Academy		Oral Communications 10: CKD 3	14:30-16:30
